

Many Enjoyed Stake Anniversary

The celebration of the 20th anniversary of the Alpine Stake last Thursday was one of the most enjoyable events ever held in the stake. Between 1000 and 1500 persons from all parts of the Stake participated in the general good time. At the afternoon meeting 900 were present and the evening entertainment drew a crowd of over 1200.

Besides all stake officers and a majority of the members a number of outside guests were present among whom were:

Pres. Heber J. Grant, Elder David A. Smith of the presiding bishopric, President Brimhall and Keller of the B. Y. U., G. N. Childs, Heber Austin of Idaho, the president of the Wasatch Stake and several others.

The afternoon session was a testimonial to the growth and development of the Stake, and the work of those in charge. Among the features of the program was a roll call of the members of the original organization, and a report of the secretary showing the growth, etc., of the stake. The report showed, among other things, that \$241,000 had been spent for building purposes in this stake, and that during the past year, something over \$76,000 was paid by our stake for tithing. This was a substantial increase over the first year.

According to the census figures, the stake has only increased a little better than 600 souls in the twenty years. Another feature of the afternoon program was the presentation of three beautiful baskets of flowers to the Stake Presidency by twenty girls ranging in size from a little tot to a young lady, each one representing a year in the past twenty years.

The Misses Delilah Moyle of Alpine, Helen Swenson of Pleasant Grove and Alleen Webb of Lehi presented the original stake officers with a carnation.

The program consisted of musical numbers, interspersed with talks by leading men and women of our stake telling of the first organization and its growth to the present time. Original lines, composed by Mary E. Abel and sung to the tune of "Joseph Smith's First Prayer," and dedicated to the Stake Presidency, was sung by the congregation.

After the afternoon program, the out of town guests were served a delicious supper in the basement of the tabernacle.

The evening program, which consisted of musical numbers and readings by some of the best talent in the stake, together with a few remarks from the distinguished visitors. After the evening session, the crowds went

to the basement of the tabernacle where they enjoyed dancing, games and a short program.

Stop the Thief!

Farmers in Limestone County, Alabama, raised a lot of hogs which they sold to professional buyers. The buyers used various devices to keep down prices, including the favorite method of telling the farmers that the market was "off."

Those Alabama farmers learned differently when they organized the Better Farming Association and marketed their hogs coöperatively. On twenty carloads they realized four cents a pound more than the professional buyers offered. Their extra profit in one year through Coöperation was \$12,000.

COÖPERATION equips you with a knowledge of marketing conditions. It defends you against the speculator's unfair weapons. We offer you such protection through our organization. Its policy is to promote your best interests. Won't you join it, talk it, support it?

THE COUNTRY GENTLEMAN boosts coöperation week after week the year around. Why? Because it knows that the average farmer lacks the opportunity of acquainting himself with the profitable methods and practices of other farmers in distant localities. So it acts as a medium

through which these beneficial methods may be made available to us all—to you. It is aiding the farmer in his fight for more light on marketing conditions and a fairer, squarer deal for agriculture.

For this service alone you will find it worth to you far more than the subscription cost—less than 2 pennies a week. And you will get besides a lot of wholesome entertainment—the best fiction, good pictures, strong cartoons, lots of smiles. Send in this coupon and only ONE dollar—your check or a dollar bill. You'll be glad you did.
